## Martial Arts International The Year To Come\*

Below are the future dates of 2026 Training and Family events.

HAPPY NEW YEAR ON OUR 39th ANNIVERSARY! With a new year comes renewed commitments - this is a good time for you to assess where you are in your MAI martial arts training and set some goals for where you would like to go in the year to come. If we can be of any assistance to you in helping you set your training goals, please let us know - our door is always open for You - our valued students and parents.

This year promises to be a great one and we have many fun activities planned that we know you will all enjoy. All major dojo events are listed in order to give you and your family sufficient notice. Please copy this calendar in your family's 2026 day planner. Please remember to also check our monthly dojo calendar or our website [www.maichampions.com](http://www.maichampions.com) for more details on the upcoming events you won't want to miss. We also send out monthly emails on events, so if you are not receiving them, please let us know at the front desk. PARENTS: Come along too, these events provide you the opportunity to get involved and take an active interest in your child's training and their MAI Black Belt Attitude.

**A Special Thanks to all of you who have spoken so kindly to others in the community about our program. Our member's referrals are by far our strongest means of communicating the benefits of training at our dojo. By the way, remind your friends, etc to mention your name to our office staff at the time they sign-up and we will reward your family in a more tangible way with a \$25.00 MAI Gift Certificate or a Free Private Lesson. (can't combine with other promotions).**
