## Belt Testing (Shōkyū Shinsa)

Belt testing is a significant milestone in a karate student's journey, marking their progress and dedication to the art. It is more than just a demonstration of physical techniques; it reflects the student's discipline, focus and understanding of karate's principles. The test is designed to challenge their skills, endurance and mental strength. The experience teaches humility, perseverance and respect.

"A belt test is not about proving perfection, but proving your spirit to keep moving forward."  
-Shorin-ryu Teaching
